

GROUP LIFE COORDINATOR

Position Summary

Spiritual growth happens most and best in relationships. Sunday mornings are so important to building those relationships *and* group life outside of our Sunday experience is essential to the growth of our congregation as we grow as a church. As we get bigger on Sundays we need to get smaller in our relationship groups. Group life matters... a lot.

Our goal is that everyone who attends ECC would be engaged in group life and move from *first time guest* to *fully-engaged member* and from *guest* to *friend* to *family*. We invite people to “Experience God With Us.” The Group Life Coordinator builds the ‘With Us’ experiences that make that invitation a reality.

This is a part-time position. Salary commensurate with experience
