HERE'S HOW YOU CAN HELP:

From November 16th-December 14th, A Christmas tree will be set up in our lobby. The tree will be decorated with ornament tags that list both an Ace student as well as a personalized wish list—gifts that the student would really enjoy this Christmas. From the wish list provided, please select any arrangement of gifts, making sure to keep it in the \$20-\$25 range (in trying to keep all gifts equitable).

After taking an ornament tag off the Christmas tree, and upon purchasing the gift(s) identified on it, please bring the gifts back to ECC on a Sunday morning by December 14th, placing them back under the Christmas tree. . PLEASE WRAP THE GIFT, FILL OUT THE TAG, THEN RIBBON THE TAG

TO THE GIFT (SEE EXAMPLE UNDER TREE) so Ace staff can correctly identify which gift belongs to whom. (In efforts to serve Ace in this process, please refrain from supplementing anything from the identified wish list.)

NEW THIS YEAR: We know summer trips for teens can be catalytic in spiritual formation and developing a broader sense of God's mission in this world. Ornament tags for scholarships will also be on the tree to help Ace's efforts in sending ten students from Powderhorn to go to Juarez next spring. ***For every scholarship gift made***, the CJM team will match dollar-for-dollar (up to \$2,000) in ECC's efforts to help send our own teens to CHIC next summer! LET'S LET OUR LIGHT SHINE BRIGHTLY!
